I am writing this letter to inform you of my absence from the attempt test scheduled on [date] due to illness. Unfortunately, I fell ill unexpectedly, which rendered me unable to attend the test as planned.

I had been diligently preparing for the test and was looking forward to participating. However, on the night of the test, I am feeling extremely unwell and realized that I wouldn't be able to perform at my best condition.

I understand the importance of adhering to the test schedule and apologize for any inconvenience my absence may have caused. Rest assured, I am committed to making up for the missed test and ensuring that it does not affect my academic progress.

Thank you for your understanding and cooperation in this matter. I look forward to your guidance on rescheduling the test and appreciate your support during this time.
